Projects

agenda • Full-Stack Developer   *February 2021*
your-agenda.herokuapp.com
A minimalist project board app for personal and business needs.
- Created a clean website utilizing React, Redux, PostgreSQL, Express, Node, and Material UI.
- Designed the user home page and implemented drag-and-drop for easy-to-use project boards.
- Structured React components to create a clean and easy-to-read front end.

On The Run • Solo Full-Stack Developer   *January 2021*
ontherun.herokuapp.com
A user-friendly lifetime data visualization app for runners.
- Built the single-page application with React, Redux, React Google Charts, and Express.
- Stored thousands of data points in data structures with easy accessibility for analysis.
- Designed a clean and sophisticated site with Bootstrap and custom CSS.

Experience

Team Lead Brand Ambassador • Uptime Energy   *June 2019 - March 2020*
- Engaged prospective customers during events, contributing to new leads for the sales department
- Acted as an intermediary between the brand ambassador team and the field marketing manager
- Organized setup and teardown within 5-6 events weekly
- Conducted weekly inventory within Google Sheets to maintain full stock of the product
- Transported up to 60 cases/day to multiple locations throughout New York City

Principal Production Cast Singer • Norwegian Cruise Lines   *October 2018 - March 2019*
- Performed up to 7 main-stage shows per week in addition to daily rehearsals
- Created, choreographed, and performed in a cabaret show for each cruise, including 5 performers
- Provided guests with an engaging experience offstage through live Q&As and backstage tours
- Responded calmly to problems onstage and backstage to maintain the integrity of each performance

Education

Grace Hopper Program at Fullstack Academy • NYC   *October 2020 - February 2021*
17 week immersive centered on full-stack Javascript web development
Point Park University • Pittsburgh, PA   *September 2014 - April 2018*
BFA Musical Theatre

Volunteer Work

Best Friends Animal Society • New York, NY   *October 2019 - March 2020*
Cleaning Assistant
